

The mission of the conference is to provide knowledge and skills that positively impact the financial future and quality of life for women and families in Maryland.

"This year we will build on the amazing success of last year's sold-out conference as we continue to offer superb speakers and information about important financial areas that will help you to build wealth every day."

Darby Jones, Conference Co-Chair

"An added treat this year are 20 minute 'power coaching' sessions. We're excited about this new twist!"

Rachel Toft, Conference Co-Chair
